Bring the Kids, Grab a Coffee and Let's Party

New Tunes at French, Spanish Polly-Glots CD Release Party!

Starbucks, Capital Hill March 24th -- Join Polly-Glots and teacher Ines Andrade for a live performance in French and Spanish to celebrate the release of the new educational CDs. A free sing-along concert is all about sharing playful and educational music for kids and their parents who want to take the languages home to explore.

The Polly-Glots Chantent and *The Polly-Glots Cantan* French and Spanish language CDs include 30 songs which cover a wide range themes including food, letters, numbers, animals, the body and more. The CD also includes the world renowned [BrainDance](#) routine.

During the concert we will sing, dance and have lots of give-a-ways - t-shirts, CDs and a raffle for free tuition this Spring quarter!

Can't wait to hear the music? We can't wait to share it! Check into our music page each day from now until March 24th and check out a new song. [Tune into New Music](#) and take our daily quiz.

The person who answers the most questions correctly wins a free CD of their choice at the concert!
